

PAREF Westbridge School, Inc.
School Year 2025-2026

November 19, 2025

Dear Westbridge Parents,

Thank you for your generous and overwhelming support of the **Vinta Cup 2025** activities. Around 300 delegates from the other PAREF Boys schools participated. The success of our hosting the 4th Vinta Cup was made possible by the collective efforts of the entire Westbridge Family, and we truly appreciate your contributions.

As we continue the 3rd Quarter of the School Year 2025-2026, we would like to inform that we are moving our Card Day and the School for Parents to these new dates:

- 1) Card Day – November 28 (Friday)
- 2) School for Parents – December 3 (Wednesday)

We usually hold our school for parents in the evening. As for the card day, we will follow the same procedure from the last card day.

One of our key goals in PAREF-Westbridge is the safety of our students. Due to the recent bomb threats to different schools in the city and province of Iloilo, we are working to enhance the security within the school premises. For safety reasons, the guards will not permit anyone to enter the school building without an appointment. If you have a new person picking up your son, please inform your class adviser of their name in advance.

Please be informed that we are already accepting new applicants for School Year 2026-2027. If you have friends who want their children to avail of the Westbridge brand of Education you may write their names on through this link. [\(Referral Link\)](#)

We are grateful for your continued support in strengthening our Westbridge Family. Together, let us work hand in hand towards a strong home-school collaboration that nurtures both students and families. Thank you for your trust and dedication to our shared mission.

Very truly yours,

(SGD) DENNIS L. ADOLACION
Executive Director
