Dear Westbridge Parents,

Welcome Back to a New School Year 2026-2027!

We warmly welcome our 33 new students and 237 continuing students, bringing our total school population to 270 for the school year 2026-2027.

This year, our online system via Google Classroom and the students' School G-Mail accounts will remain active. This allows us to maximize the benefits of digital learning, providing alternative modes of instruction during school suspensions caused by national or local emergencies. Additionally, these platforms will be used to offer enhancement activities that complement classroom lessons. Report cards will continue to be accessible digitally through each family's School Account. The RFID cards for students will be issued once we have collected all digital photographs.

We are pleased to announce the appointment of our school Business Manager, Mr. Jaybert Ong. Mr. Ong has 31 years of experience in the banking industry. He spent 11 years with RCBC, a year with PSBank, and 19 years with PNB. He retired last year with the rank of Senior Assistant Vice President and Area Head, handling 10 branches in the Panay area.

This summer, we had more than a month of teachers' training, a significant step toward our commitment to improve the quality of our education and personal formation services. We invited experts from Manila to help us enhance our teaching skills and strategies, lesson planning and teacher demonstration sessions, and personal formation talks. Additionally, the teachers participated in a fruitful two-day training focused on disaster risk reduction and first aid response under the KABALAKA program.

Lastly, we will soon be sharing details about your son's mentor and the list of Parent Coordinators—our greatest allies in fostering a supportive school community. We encourage you to give them your full support, and feel free to approach them or your principal with any suggestions or concerns.

Let us work together to make this a productive and inspiring school year!

Sincerely,

DENNIS L. ADOLACION
Executive Director
